

**Are you our
new colleague?**

Quality technician M/F

Would you like to be part of the adventure and play an active role in the growth of our company in the industrial supply chain sector?

Quick decision-making and responsibility: are you looking for a company that listens to your suggestions?

We're offering you the chance to play an active role in our organisation, by creating a new position.

Before we tell you about your future assignments, let us tell you why you should choose us!

BUFAB FRANCE means :

- Experiencing a corporate culture based on trust, expertise and friendliness
- Practising a rich profession that evolves according to the issues encountered
- Working in a dynamic team and interacting easily with everyone thanks to our Scandinavian culture

YOUR ROLE :

As part of a new position, you will join the five-strong Quality team. Working within the Operations Department and reporting to the Quality Manager, you will certify product conformity and compliance with standards.

You will be responsible for the following tasks:

- Carrying out incoming inspections
- Checking products reported by customers and/or found to be non-compliant (NC)
- Processing customer non-conformities and related documents
- Secure stocks
- Propose derogations
- Check and test products
- Maintain customer relations by communicating with the relevant internal and external departments
- Draw up 8Ds, root cause analysis, inspection reports, etc
- If necessary, develop control ranges in response to customer NCs

- In collaboration with the quality team, ensure that the equipment and laboratory are running smoothly
- Provide technical support to the sales department during product validation.
- Other ad hoc activities/assignments related to the job at the request of Management
- To characterise customers' needs in their calls for tenders by communicating directly with external and internal players
- Assessing the risks associated with product complexity, production processes and customer applications
- Request quotations from suppliers in line with technical requirements and purchasing strategy
- Analyse supplier bids, negotiate prices, delivery times and conditions.
- Submit a clear and complete file for the sales proposal
- Create new items in our ERP system.

ABOUT YOU :

With a 2-year higher education qualification in quality, you have 2 years' experience in a similar position.

You have a good command of the Office pack, particularly Excel, and are comfortable working with ERP systems.

You have excellent interpersonal skills and a proven ability to work as part of a team.

You have at least an intermediate level of English B2.

Rigour, organisation, analytical skills and a willingness to learn are all assets for this position.

WHAT WE CAN OFFER YOU

A stimulating international environment that values your strengths, your ideas and your commitment! Quality of life at work is important to us.

Work-life balance:

- Teleworking Charter
- Autonomy and flexibility in work organization
- Sports committee
- Indoor/outdoor facilities for meals and relaxation

Employee benefits:

- PERO
- Profit-sharing
- Luncheon vouchers
- Holiday vouchers
- Attractive family health insurance.

You will benefit from an international induction programme at our head office in Sweden to get to know the Bufab Group

Permanent contract position based in Corbas (69).

Remuneration commensurate with experience

Where skills are equal, priority will be given to disabled workers and other beneficiaries of the employment obligation.
