WE ARE LOOKING FOR A

DATA ENGINEER, BUSINESS INTELLIGENCE, SQL

Bufab's business is about dedication, speed and trust. We deliver solutions, not products. We are a large family of strong entrepreneurs with big hearts and we believe in personal initiative locally to drive the business forward. We are dedicated to always deliver our customers' C-Parts needs and we believe in global teamwork using the Bufab Best Practice to provide the best solutions for our customers. Or as we say: we are Solutionists.

Today, we are about 1,800 team members in 28 countries. Our team members are what make our success. We offer freedom, responsibility and development opportunities within a highly international and entrepreneurial company. At the same time, Bufab retains a lot of the down-to-earth and personable feeling that we have had, since our foundation in 1977.
